2018 Contributions--\$125
Early Bird (Before Feb 28, 2018) --\$120
Or Contribute to the Foundation (see back)

Highlights of 2017:

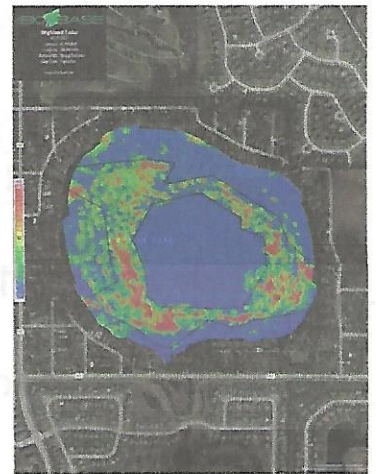

Priority #1 Lake Health—continued developing a sophisticated and technologically advanced weed control program to work towards a healthy and diverse lake ecosystem. Continued involvement in the Washington St construction and Hainesville Rd. Commercial growth to keep our lake protected. Rebuilt seawall and pier at Hickory Ln. access. Removed large deceased Ash trees from Hickory Ln. access, Downey Park and Chic Park. Started the Lake Ave. restoration project.

Priority #2 Fiscal Responsibility— improved transparency with all financial information posted to website monthly.

Priority #3 Communication—our website is bigger and better than ever with more people looking to it as their source of information regarding our lake and activities.

Priority #4 Community Relations— continuation of community events such as the "Welcome Wagon" for new residents, the annual community dinner, Carp fest, tailgate party, movie night and the Ice Fishing Derby

Priority #5 Rules and enforcement—created successful "wristbands for use of the raft" and have many eyes on our parks and lake to help keep trespassers away. We launched a new neighborhood watch program to increase safety and security in the community.

The raft is currently beached at Chic Park and clearly needs some restoring care. 63 years of fun and adventure have taken a toll.

Please help!
