4. Resident boats that have been on other waters prior to placing them on our lake must be inspected for Zebra muzzles and cleaned to ensure these evasive hitch hickers do not spread to our waters. Contact your local shore vice president to have them help with the cleaning and inspection of your boat. <http://www.hlcommunitysite.com/the-board.html>
5. When boat fishing all residents must have a personal flotation devise for each person on the boat and should be worn at all times.
6. **Firelane fishing is permitted from 6am to 9pm.** Please note the fire lanes are very close to people's homes. Please be quiet and respectful of these residents as during the Memorial Holiday weekend, people are trying to relax and may have parties that they do not want disturbed.
7. Fire lane or Beach fishermen need to make sure that all litter, garbage, cans, fishing hooks are all cleaned up during and after they are done fishing. Make sure to keep the parys beautiful.
8. Any Non Resident anglers that are guest of resident registered for the event can fish the lake during this event and must adhear to the fishing guidelines set forth by the association. See the lake fishing rules here.
