NOVEMBER 2011

Highland Lake Good Neighbors Report

After that brief, powerful windstorm last spring, there was a flurry of activity with neighborhood volunteers forming impromptu work details with chain saws to cut branches and clear access to a number of homes on the lake. Most notable was the detail formed on South Circle by Matt Chase, Israel Garcia, the Blum family, Bob Smith and friend, Ray. They cleared a large amount of fallen debris from Ron Siggeman's end of South Circle Drive, permitting him access to leave his home in case of emergency. That group also cleared a large amount very big branches from my property where Lilac meets Oak Avenue and dragged them to the street. When I arrived home after work, they were attacking the devastation next door at Rob and Margie Williams on Oak (the former Ryan property). Their fallen branches were so numerous, that two cars in their driveway were invisible from the street. I'm sure that group did even more, but that's just what I saw when I arrived home.

Colette Sitko had an unbelievable number of fallen trees and branches which were trimmed, gathered and stacked by a young man from the north side of the lake. It was stacked up to the eaves of her garage and made a row about 25 feet long. There was so much Good Neighbor activity just from that one storm, I would like to hear from residents from around the lake about the activity. I invite phone calls or email in this regard. See my contact information below.

Since the storm, most of the initial calls I've received have been more mundane - but necessary - requests, which I intercepted and performed myself for the neighbor, simply because they were easy, and I knew what to do (household types of things and some cell phone guidance).

I haven't received many calls lately, so I am guessing that neighbors requesting household assistance are contacting their own friends and neighbors directly for assistance. I believe we have a significant number of Good Neighbors all around the lake who work quietly, and out of the spotlight. Highland Lake has a lot to be glad about.

UPDATING RESIDENT INFORMATION

"Updating our resident information will always be an on-going process. Obviously people move in and out of the neighborhood and we need to collect their information so they can be in tune to what is happening in the community.

Information seems to change often for our existing residents as well. Email addresses and cell phone numbers seem to change often...and we need to have these updates as well.

In an effort to help complete our information directory and make sure we have the most recent information for each household, we are including the most recent directory with this edition of HILITES. Please take a few moments to verify your information as well as that of friends and neighbors. If you see anything that needs to be updated, PLEASE let me know at 847-344-3268 or druback@hotmail.com.

We also posted the most recent version of the directory on our website for your convenience! We will update it several times each year, or whenever a significant amount of change takes place.

Thank you in advance for helping us maintain this vital information"

Thanks

Darren

of your President...

As we enter a special time of the year, on behalf of your board of directors and officers, please accept our wishes for a Happy Thanksgiving, a Merry Christmas and Happy Hanukkah.

We truly have many blessings, and while I know there are several challenges we face today, remember that your neighbors and this wonderful community are among the most important of those blessings.

Circle Saturday, **February 4, 2012**...it's time again for our Bi-Annual **STRATEGIC PLAN SESSION** at the Grayslake Public Library. Almost two years ago, 53 of our residents showed up and literally "gave direction to the board" that has been guiding our decisions for the last 21 months.

From that came your top five priorities, a mission statement and dramatic increase in community involvement. The targets given us during that 2010 meeting have been the most significant instrument in guiding the activities of your officers. All of which has resulted in a better, or should we say a truly "Wonderful Place to Live."

After brief opening remarks, our meeting volunteers and an independent moderator will run the strategy session. Your officers will sit with you in the audience. *This is YOUR chance to contribute to the direction of our lake community for the NEXT two years.* Make sure it's on your calendar. Real, real important: You must help us spread the word. Tell a neighbor and ride together to the library that morning. (2/14/2012, 9 A.M.)

We will elect officers in March at the "Annual Meeting" as required by our rules and by-laws. Because of Early Voting and the March 20th Primary, we will be at Hainesville for two of the first three months' meetings.

STILL MORE CLUTTER!!!!

So, the meeting schedule for the “first quarter” will be like this
January 16, 2012, 7 P.M. (at Avon Township)

February 20, 2012, 7 P.M. (at the Hainesville Village Hall)

March Annual Meeting, 3/19/2012, 7 P.M. (at Hainesville)

Please enter these dates in your calendar now – *make it a habit* to be there the 3rd Monday Evening of each month -- and plan to attend with all your neighbors. *Help us spread the word.*

Visit your website! Check it every day. Put it into your “favorites.” www.HLCommunitysite.com is your every day, every minute, up-to-the- second information, news and special interest items. Live weather, lost and found, lake reports, fishing reports, news pertaining to you...even a ‘blog’ where you can voice your opinion and share information.

Make it a habit!

Check it out now!

See you Monday Night!

President Leafblad

"Everybody Involved in Everything"

*Where Our Residents Have A Voice In Shaping Our
Lake Community For The Years To Come*

A VERY SPECIAL LAST BOARD MEETING OF 2011

This coming Monday, November 21, 7 P.M., Avon Township Center
Please accept our invitation to join your neighbors and friends at our annual **Neighbor Appreciation Night** – Get there early (doors open at 6:30), save a little room in your tummy. Skip dessert...we're having light snacks – and, we will award several of our community for their important contributions of time, material and talents. The emphasis is on fun...we need you there!

We will discuss many important topics, including our 2012 budget -- *it's been a rough year for many of our neighbors – and we are guarding your dues payments with utmost care.* We will also set dates for events and will listen to your input about topics on the evening's agenda during "public comment."

The entry to the Avon Township Center...is the door "from the west parking lot – around to the back door on the south side of the building."

Traditionally, there is no meeting in December, which means this Monday's meeting of your Board of Directors is the last one for 2011.

YOUR AD COULD BE HERE!!!

Yes it's true your ad could be right here on the highly acclaimed HI-LITES newsletter. We are mixing it up. Business card size ads can now pop up anywhere. Small Mention this ad" or "Bring this ad in" lines can be added. This is new so get in on the ground floor before the rates go up.
